

# TARANDEEP

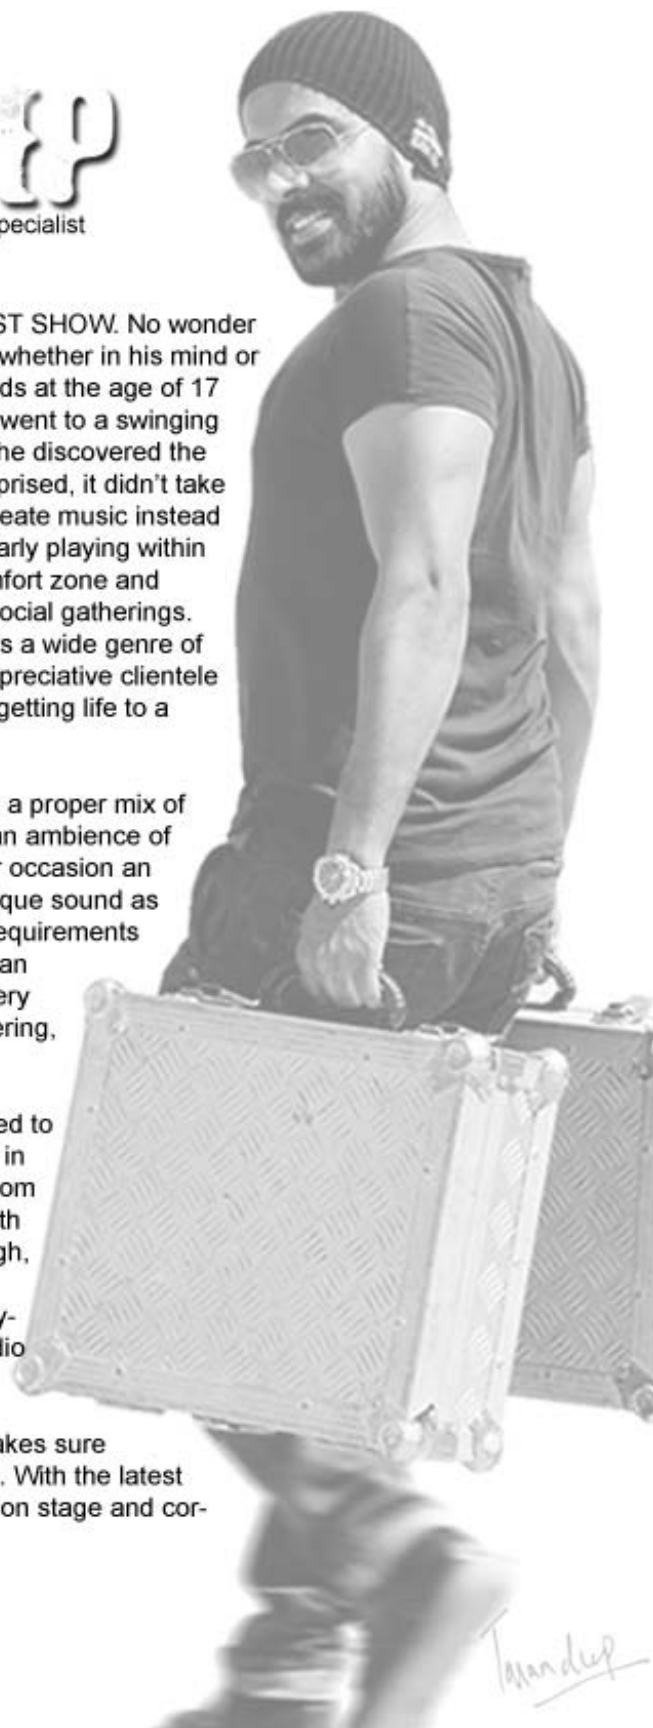

India's unmatched DJ & Sound Specialist

YOU ARE ONLY GOOD TILL YOUR LAST SHOW. No wonder DJ Taran is spinning 24x7 back to back whether in his mind or with his hands. He started playing Records at the age of 17 years. His DJ life was inspired when he went to a swinging party of his friend, and it was there that he discovered the world of music and mixing. Not to be surprised, it didn't take him long to turn the tables and start to create music instead of merely listening to it. Starting by regularly playing within his friend's circle, he soon broke the comfort zone and moved on to disc jockeying in club and social gatherings. Versatility is the key for this DJ who offers a wide genre of music repertoire. As of date, his huge appreciative clientele stands testimony to his superior style of getting life to a party.

He is a master at Turntable who ensures a proper mix of music and entertainment as he creates an ambience of taste, talent and celebration making your occasion an "ever remembered one". Bringing his unique sound as a DJ while keeping in mind the tasteful requirements for the occasion, DJ Taran, with more than 50,000 tunes in his hand, belts out the very best, be it a night club, a corporate gathering, a wedding ceremony.

DJ Taran since his Djing career is believed to be living in a suitcase, having performed in more than a dozen countries spanning from Indonesia to UK. He shared the stage with prominent artists namely RDB, Mika Singh, Daler Mehndi, Neeraj Shridhar, Shibani Kashyap and many more. He is a synonymous name with Radio starting from Radio Mirchi, Radio Meow (93.5 Red FM).

Using the latest technology, DJ Taran makes sure that a superior sound quality is delivered. With the latest hi-tech equipments and the light fixtures on stage and correct programming, is one of his prime

professional capabilities to match one of the relevant acoustics and add glamour with light. The equipments used for his energetic sets include Technic, Pioneer, Traktor, Shereto, Newmark, in Audio, Martin Audio, JBL, FBT, Nexo and for Lights, he uses SGM, Claypacky, Robe and DTS.

He, being one of the very few Indian DJ's who are as efficient on Vinyls/Records as on CD's, is someone who can master any genre of music like Hip-Hop & Electro, Rap, R&B, House, Indipop, Bhangra, Commercial, Bollywood, Reggae, Retro (50's, 60's, 70's, 80's, 90's), Rock, Trance, Jazz, UK Style Punjabi Music, Lounge Music, Soft Rock and Pulp Rock.

Blessed with the gift to make the obscure sound familiar and the popular sound vibrant, his vast knowledge of music and his ability to deliver a cutting-edge in music, makes him stand true to his reputed profile. He continues to actively tour with his dynamic performances in the best of the venues worldwide.

Marilyn Monroe once said " If I am a star, then the people made me a star". DJ Taran understands quite well the connection between a DJ and the crowd, which brings a whole new musical world for him to explore and the crowd to experience. The crowd, being his main focus, despite of any age group and he definitely likes to experiment with music.

**The vibes of DJ Taran still live as iconically as expected and the show must go on....!!**
